Diploma Information:

An approved Preferred First Name may be used on a diploma if requested by you on the **Diploma Name Request Form**. An approved Preferred First Name may be used on a diploma if requested by you on the **Diploma Name Request Form**, otherwise your primary (legal) name shall be used. UIC recognizes that some students may wish to use a Preferred First Name other than their legal name to identify themselves on their diploma.

To change a legal first and/or last name on the diploma and the University record, you must submit a [Change of Demographic](https://registrar.uic.edu/forms/Change_of_Demographic_form.pdf) (https://registrar.uic.edu/forms/Change_of_Demographic_form.pdf) with supporting legal documents to the Office of the Registrar. Please complete the [Diploma Name Request Form](https://registrar.uic.edu/forms/Diploma-Name-Request-Form.pdf) (<https://registrar.uic.edu/forms/Diploma-Name-Request-Form.pdf>) to modify the way your name appears ONLY on the official diploma.

All changes must be submitted by last day of the graduating term. Once diplomas are produced you will not be able to make any changes without purchasing another copy and returning back the original.

Note: Although you might already have a permanent or mailing address to which you want your diploma to be mailed, we are asking that all upcoming graduates create a diploma address on file.

If you have any questions regarding diploma name or address deadlines or requirements, please contact the Records office by email at records@uic.edu.
